Affirmative Action Plan
for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies’ affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government.

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWD) Answer No
   b. Cluster GS-11 to SES (PWD) Answer No

Cluster GS-1 to GS-10 (PWD) is 22.26% (59), which is above the 12% benchmark. Cluster GS-11 to SES (PWD) is 21.03% (131), which is above the 12% benchmark.

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.
   a. Cluster GS-1 to GS-10 (PWTD) Answer Yes
   b. Cluster GS-11 to SES (PWTD) Answer No

Cluster GS-1 to GS-10 (PWTD) is 1.51% (4), which is below the 2% benchmark. Cluster GS-11 to SES (PWTD) is 2.73% (17), which is above the 2% benchmark.

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

BEP communicated the numerical goals to hiring managers and recruiters through strategic one-on-one conversations with hiring officials, internal BEP communications to hiring officials, and executive briefings with senior officials and hiring officials.

Section II: Model Disability Program
Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If “no”, describe the agency’s plan to improve the staffing for the upcoming year.

   Answer Yes

The Office of Equal Opportunity and Diversity Management (OEODM) is responsible for the implementation and execution of the requirements for the Disability Program. OEODM staff are provided appropriate training and procedures to execute their responsibilities.

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

   Answer Yes

During FY 2020, the agency provided the disability program staff with sufficient training, which consisted of the Equal Employment Opportunity Commission’s (EEOC) Disability Program Manager training and National Employment Law Institute’s (NELI) Americans with Disability Act training.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources.

Answer Yes
The agency has a Reasonable Accommodations and Personal Assistant Services budget that is managed by OEODM and is readily accessible for immediate use when needed and/or requested.

Section III: Program Deficiencies In The Disability Program

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

BEP’s Office of Equal Employment and Diversity Management (OEODM) and Office of Human Resources (OHR) collaboratively manage an internal Schedule A repository to track, maintain, and identify qualified Schedule A applications that BEP receives. BEP also partnered with the Department of the Treasury and Monster Government Services to create a customized job search tool that provides veterans services such as, a federal resume tutorial, a military skills translator, and a resume to job match capability. BEP has established an outreach and recruitment team as indicated within the Diversity and Inclusion Strategic Implementation Plan. The paramount objective of the Team is to plan, identify, and implement changes that will improve opportunities for all groups within the workforce.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce.

The hiring authorities that BEP uses that take disability into account are Schedule A and Veteran Appointment Authorities. Schedule A is available for use along with Veteran Appointment Authorities to non-competitively appoint PWD and PWTD and veterans with service-connected disability rating of 30% or more. These hiring authorities are communicated to hiring officials during mandatory Strategic Consults with all hiring officials prior to recruitment. During this consultation, the OHR and hiring officials discuss hiring authorities, including Schedule A and Veterans appointments.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

When individuals apply for a position under the Schedule A hiring authority, the servicing HR Specialist reviews the application to determine if the applicant meets qualifications/position requirements, and has submitted the required medical documentation. Applicants deemed qualified are referred to the hiring official on a non-competitive certificate of eligibility with guidance on selection procedures, including the application of veterans’ preference (where applicable). Hiring officials have the option to interview and/or hire from the certificate or to consider other candidates from other issued certificates (e.g. Merit Promotion, Non-Competitive, etc.). Alternatively, when individuals submit their resumes directly to BEP or BEP’s Special Placement Program Coordinator (SPPC) for vacant positions, the SPPC refers the resumes to the designated servicing HR Specialist. The HR Specialist then reviews the resumes to determine qualifications and eligibility. If qualifications and Schedule A eligibility are met, the resumes are then forwarded to the hiring manager for consideration, with guidance on selection procedures, including the application of veterans’ preference, when applicable.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.
BEP’s OHR mandates a Strategic Consult for all hiring officials prior to recruitment, whereby hiring flexibilities and authorities (including Schedule A and Veterans appointments) are encouraged and discussed.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

BEP has established a working relationship with the Computer/Electronic Accommodation Program (CAP) to secure devices frequently used by PWD and PWTD. BEP also maintains contact with interpreter service providers. BEP has also partnered with Handshake to advertise our open vacancies at education institutions that include programs for students with disabilities.

C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If “yes”, please describe the triggers below.

   a. New Hires for Permanent Workforce (PWD)     Answer No

   b. New Hires for Permanent Workforce (PWTD)    Answer No

New Hires vs. Benchmark PWD Hires: 28.99% vs 12% PWTD Hires: 2.90% vs 2% Hiring rates for PWD and PWTD are above the benchmark goals of 12% and 2%.

Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

A. ADVANCEMENT PROGRAM PLAN

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

In FY 2018, BEP deployed an upward mobility program for all eligible employees, including PWD and PWTD. The program was designed for current employees who are in a position or an occupational series that has limited or no upward career mobility. The program just completed its final year of implementation in FY 2020. BEP will review current results to determine the effectiveness and identify any areas of improvements. BEP also offers career development opportunities to all employees via non-competitive details and promotions. The career development opportunities are marketed through internal communications and external sources.

B. CAREER DEVELOPMENT OPPORTUNITES

1. Please describe the career development opportunities that the agency provides to its employees.

Below is a list of the various career development programs the BEP provides to its employees: New Leaders Program (NLP). The NLP targets GS 7-11 employees (or equivalent) and is designed to develop future public service leaders. The program includes leadership self-assessments, experiential learning, and individual development opportunities integrated into a competency-based learning approach. Executive Leadership Program (ELP). The ELP is designed for GS 12-13 (or equivalent) employees seeking to support their organization in meeting its mission and goals. The program focuses specifically on the competency of “leading people” through developmental activities and experiences. Executive Potential Program (EPP). The EPP is a competency-based leadership program that prepares high-potential GS 14–15 employees (or equivalent) to lead effectively at senior levels in the federal government. The curriculum is focused on “leading change” and transforming senior managers into change leaders. Career
Development (CADE) Program. The CADE Program provides upward mobility via defined career training and opportunities that allow the selection and training of disabled veterans (and other employees) GS-11 (or equivalent) and below, whose positions offer limited promotion potential, for placement into positions in other occupational series for which they would not otherwise be qualified. Electro-Machinist & Mechanical-Machinist Trainee Program. This program is advertised as a four-year trainee program to journeyman Electro-Machinist. This position is located in the Electro-Machine Shop, Office of Security Printing. The incumbent participates in a four year training program with the Bureau of Engraving and Printing including formal, laboratory, and "on-the-job" training. The incumbent is normally assigned to maintain/support all currency printing/processing equipment, including temporary and permanent modifications and installations required to maintain production goals. The incumbent works with journeymen and other peers, while participating in "on-the-job" training.

2. In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/approval to participate.

Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

Answer No

Since FY 2018, the BEP has been actively converting eligible Schedule A employees to competitive service appointments. In FY 2018, BEP converted two Schedule A employees; in FY 2019, BEP converted six employees; in FY 2020, BEP converted three employees.
2. Using the inclusion rate as the benchmark, did the percentage of PWD among voluntary and involuntary separations exceed that of persons without disabilities? If “yes”, describe the trigger below.

   a. Voluntary Separations (PWD) Answer: Yes
   b. Involuntary Separations (PWD) Answer: Yes

The inclusion rate for PWD (6.42%) slightly exceeded the rate of persons with no disability (5.28%) for voluntary separations. The inclusion rate for PWD (0.92%) slightly exceeded the rate of persons with no disability (0.35%) for involuntary separations.

3. Using the inclusion rate as the benchmark, did the percentage of PWTD among voluntary and involuntary separations exceed that of persons without targeted disabilities? If “yes”, describe the trigger below.

   a. Voluntary Separations (PWTD) Answer: No
   b. Involuntary Separations (PWTD) Answer: Yes

The inclusion rate for PWTD (4.88%) did not exceed the rate of persons with no disability (5.28%) for voluntary separations. The inclusion rate for PWTD (2.43%) exceeded the rate of persons with no disability (0.35%) for involuntary separations.

4. If a trigger exists involving the separation rate of PWD and/or PWTD, please explain why they left the agency using exit interview results and other data sources.

A trigger exists involving the voluntary separations of PWD/PWTD. Explanation: Using the data in the B14, there was a total of 21 voluntary separations. Of the 21 voluntary separations, 8 were resignations, 5 were retirement, and 8 were transfers. Four of the 21 separations were PWD and/or PWTD. Of the four PWD/PWTD separations, two had more than 25 years of service, the other two had 10-12 years of service. Two of the employees were GS employees, while the other two were Wage grade. Three of the employees were non-supervisory, while the other employee was Supervisory. Two of the four employees were 60 and over, one was 50-59, and the other was 40-49. All four were males, and they were all Veterans. Two of the employees were White, one was Asian, and the other was Black or African American. Of the two responses given for reasons for separation, one employee indicated promotion in another federal agency and the other indicated retirement. Of the four employees, two indicated that their work experience was generally positive, and the other two indicated that their work experience was not positive. 75% of the respondents indicated that they would not return to Treasury, or recommend Treasury as a good place to work. 25% of the respondents indicated that they would return to Treasury, and recommend it as a good place to work.

BEP has also updated the Reasonable Accommodations Procedures in accordance with the Equal Employment Opportunity Commission’s technical feedback. Budget The agency has also created a Blanket Purchase Agreement that is available for use when PAS requests are received. Accessibility of Facility BEP continuously works to improve the accessibility of the parking program by ensuring an adequate number of accessible spaces are available to employees for on-site parking. The BEP installed an accessible wheelchair ramp for entering and exiting the facility. BEP is continuously working to install several accessible doors throughout both facilities. Accessibility of Technology In FY 2020, BEP awarded a new contract to ensure document remediation for internal and external websites, and transcription services for audio and video files. BEP’s 508 Remediation and Web Design groups are continuously looking at tools and technology to improve the usability of internal and external websites for hearing and visually impaired employees and customers.

C. REASONABLE ACCOMMODATION PROGRAM

Mandatory reasonable accommodation training was provided to all employees. BEP also developed an effective partnership with internal stakeholders such as the Office of Human Resources (OHR), and the Office of Chief Counsel (OCC) as a checks–and-balance system to ensure request processing is effective and timely. BEP also has an annual reasonable accommodation budget that is readily and easily accessible when needed. Lastly, BEP has developed an internal tracking system for reasonable accommodation requests, that’s used to monitor reasonable accommodation data for trends relating to the workforce.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

During the FY 2018 reporting period, the BEP developed a Personal Assistance Services (PAS) policy and procedures, which can be found on BEP’s internal and external websites. Additionally, internal communications to the workforce were released to inform employees of how they can electronically access the Bureau’s current policies and procedures. In FY 2019, internal communications went out to the workforce on the proper procedures for when they encounter an individual with a service animal. PAS training is scheduled for managers and supervisors in FY 2020.

<td>2020</td>
<td>In FY 2020, compared to 17.09 percent (304) in FY 2019, the workforce participation rate for PWD increased to 18.31 percent (327), a net change of 7.57 percent. The PWTD participation rate also increased from 2.25 percent (40) in FY 2019 to 2.30 percent (41) in FY 2020. Of note is the higher percentage of PWD employee gains in FY 2020 (28.99 percent) when compared to employee losses at 7.34 percent. The percentage of losses (7.32 percent) for PWTD was higher than the percentage of gains (2.90 percent) in FY 2020. Notwithstanding, at the end of FY 2020, the participation rates for both groups (PWD at 18.31 percent and PWTD at 2.30 percent) are higher than the government-wide goal of 12 percent for PWD and 2 percent for PWTD.</td>

<td>Reasonable Accommodation:</td>
</tr>
<tr>
<td></td>
<td>• OEODM ensures medical documentation is only requested, when it is needed. OEODM EEO Specialist requests, reviews, and determines the sufficiency of the medical documents, if one is needed and submitted. This added another layer of confidentiality by keeping the medical information from those who do not have the need-to-know, i.e., the deciding official need not view the information unless it is absolutely necessary.</td>
</tr>
<tr>
<td></td>
<td>• To ensure efficiency of processing, BEP developed a medical documentation request form that is used to request medical information and tailored to ask specific questions based on the request and what information is needed. OEODM also has a partnership with the BEP’s health unit doctor. When OEODM cannot determine if the medical documentation is sufficient, with a waiver from employee, OEODM requests the medical provider to review, if necessary.</td>
</tr>
<tr>
<td></td>
<td>• OEODM keeps the deciding officials engaged in the process as much as possible by having them complete the RA confirmation form, research accommodation options, attend meetings during the interactive discussion, and search for vacant positions. This keeps the deciding official involved and informed during the entire process.</td>
</tr>
<tr>
<td></td>
<td>• OEODM meets with the employee as many times as necessary during the interactive process to understand the request, ask questions, and gather information before we make a decision.</td>
</tr>
<tr>
<td></td>
<td>• OEODM responds to requests immediately and begin the interactive process with the employee and the deciding official. OEODM also ensures the employee receives a decision on the request promptly, on average within the 10-day timeframe. OEODM provides interim relief, such as temporary accommodations in situations where the permanent accommodation is not readily accessible to ensure our response is not delayed for an extensive amount of time.</td>
</tr>

<td>Partnerships:</td>
</tr>
<tr>
<td></td>
<td>• OEODM partners with OHR and always engages OHR on complex RA cases such as reassignment and vacancy searches. Response from OHR on internal vacancies searches is immediate and thorough, on average response time is within one to three business days.</td>
</tr>
<tr>
<td></td>
<td>• The deciding officials are also engaged in the process. They put forth a lot of effort to search and inquire with their peers about positions that may not have shown up in OHR’s vacancy search but might be or become available for reassignments.</td>
</tr>
<tr>
<td></td>
<td>• OEODM also have a good rapport and partnership with supervisors and managers in the BEP for immediate contact to find out about vacancies in their respective areas.</td>
</tr>
<tr>
<td></td>
<td>• OEODM also partners with other internal stakeholders in the BEP such as OCC and the Office of Safety to discuss other RA options, especially on more complex RA requests.</td>
</tr>
<tr>
<td>2020</td>
<td>BEP has identified the need to establish a comprehensive retention strategy for its employees with disabilities. As previously stated, BEP has made significant progress in hiring PWD and PWTD where participation rates for both groups exceed the government-wide goal and enhanced our accommodation process. However, there is more work to be done. BEP will leverage its current successes to work with strategic partners to establish and implement a strategic plan to recruit and retain PWD and PWTD in the BEP workforce.</td>

5. For the planned activities that were completed, please describe the actual impact of those activities toward eliminating the barrier(s).
None of the planned activities were completed.

6. If the planned activities did not correct the trigger(s) and/or barrier(s), please describe how the agency intends to improve the plan for the next fiscal year.

BEP will establish a partnership with our internal and external stakeholders to execute the planned activities, and eliminate barriers in the workforce for PWD and PWTD.
