14	04/07/2026	2026-BEPP-00005	(b) (6)	-	I am requesting all records, including but not limited to investigative reports, findings, notes, evidence, witness statements, and any final determinations or conclusions related to the investigation. Additionally, I request all internal and external communications that reference or discuss my name in connection with the investigation and any employment-related decisions. This includes, but is not limited to, emails, memoranda, messages, and correspondence between supervisors, management officials, Human Resources, and legal counsel. I specifically request any records related to decisions affecting my work status, including but not limited to escort duty assignments, work restrictions, reassignment, or limitations placed on my duties during and after the investigation. I also request any records reflecting discussions, decisions, or justifications for maintaining or continuing any work restrictions or escort duty status following the conclusion of the investigation in or around July 2025, when I was cleared. Additionally, I request any records that compare my treatment to that of similarly situated employees, or that reference policy, risk assessments, or management considerations used to justify actions taken in my case. Finally, I request any records referencing concerns about liability, risk, or management decisions related to my case, including communications with Human Resources or legal counsel regarding actions taken during or after the investigation. 18	05/04/2026	2026-BEP-00067	Robinson, James	United States Stamp Society	Starting in BEP fiscal year 1920, through BEP fiscal year 1924, 1-cent series 1911 sheet postage stamps were produced on the Stickney rotary sheet press. The BEP Director's reports for those years do not break out the rotary 1-cent sheet stamps as a distinct delivery number. The rotary stamps were included in the total 1-cent series 1911 deliveries, most of which were printed on flat plate presses. Do separate records exist that show the 1-cent series 1911 rotary sheet stamp deliveries for each fiscal year in question? if so, please provide the delivery numbers by fiscal year from FY 1920 through FY 1924. If additional production records regarding the 1-cent rotary sheet stamps are available, they would also be welcome.	BEP FOIA

27	04/14/2026	2026-BEP-00059	Hansen, Matthew	Office of the Capitol Commission	I am researching the unissued Series of 1873 National Currency \$10 Circulating notes prepared by the BEP. I came across a citation in a book that the BEP Historical Resource Center has in its reference collections an a proof impression of an 1874 \$10 circulating note back with the State of New York seal on it. This proof impression will look very similar to the attached proof impression except that the New York seal will be where the blank oval is on this proof. I would like to obtain a high-resolution scan of the BEP's proof impression for research purposes. A 600 dpi JPG or PDF scan would be ideal.
